Preamble: This motion will (i) declare Faculty Council’s approval, and (ii) move to put the following changes of CRR to the UMC Faculty.

1. Before the vote of the faculty is concluded, Faculty Council will hold a faculty forum to discuss the proposed changes.

2. The changes to CRR will bring about two changes:

   A. The definition of faculty in 300.010B will be changed to “all persons with full-time ranked academic appointments with professorial designation (Assistant, Associate, and Full).” This will mean that the definition of faculty will include full time ranked non-tenure track faculty with professorial designation.

   B. The four NTT representatives who currently serve on faculty council will become members with full voting rights (except on matters specific to tenure track and tenured faculty). The method by which these four NTT members are selected is the same as the current process.

   C. Every other aspect of how tenure track and tenured faculty are selected will remain exactly the same. The number of tenure track and tenured representatives from each division on Faculty Council will be based upon the total number of tenure track and tenured members in each division, and the formula will remain unchanged.

Motion: Faculty Council approves of the following changes to the Sections 300.010B and 300.010H to the Collected Rules and Regulations, and moves that these same changes be put to the faculty of MU for a vote. If the faculty approves the changes to CRR, they will be forwarded to the Board of Curators who will decide whether these changes will be enacted.
