

2013-2104 Tasks/Charges for the Faculty Affairs Committee:

- Continue to work with the deans, research office, provost, Chancellors and the UM system to develop academic reforms in bringing about a culture of academic excellence at MU which include increasing extramural funding, enhancing citation of MU faculty publications, national/international ranking/awards of MU faculty etc—all aimed at improving MU's overall standing within the AAU;
- Implement transparency in recruitment procedures at all levels of faculty and administrators' recruitment through shared governance;
- Work with campus level committee on Strategic planning in implementing various recommendations as set forth in the campus strategic plan;
- Work in tandem with the Fiscal Affairs committee in addressing budgetary policies; in particular address if MU's current/revised budget distribution reflects changes being implemented in the campus strategic plan;
- Any other activities of importance to MU Faculty Affairs as deemed appropriate by the FC and the chairman of FC.
- Look into Graduate Faculty Senate (GFS) regarding elections of senators.
